

Join us for an event of towering proportions.

Sunday, September 13 | 1 p.m. to 3 p.m.

The completion of our new Patient Tower marks another milestone in our hospital's long history of caring for the people of this community. The tower is home to a new Emergency Department that is triple the size of our previous space, a new 24-bed Intensive Care Unit and more. And we'd like you to celebrate with us.
