

Phoenixville Hospital welcomes new colon and rectal surgeon

From Lori Cunningham
Phoenixville Hospital

Phoenixville Hospital announces that A. Gerald Frost, M.D., F.A.S.C.R.S., has joined the medical staff.

Board certified in General surgery, Dr. Frost has been practicing colon and rectal surgery and general surgery in this area since 1982.

After graduating from Franklin and Marshall College with departmental honors in biology, Dr. Frost attended Hahnemann Medical College where he graduated with academic distinction in surgery.

His general surgery training began at the Monmouth Medical Center and was completed at the prestigious Cleveland Clinic where he served as Chief Resident in both his fourth and fifth years.

He was then selected

A. Gerald Frost, M.D.
F.A.S.C.R.S. Colon, Rectal, and General Surgeon has joined the medical staff of Phoenixville Hospital and moved his practice to 824 Main Street, Suite 206. To schedule an appointment with Dr. Frost, call 610-983-1715.

as a Special Fellow in Colon and Rectal Surgery at the Cleveland Clinic.

Frost is a Fellow of the American Society of Colon and Rectal Surgeons and of the Pennsylvania Society of Colon and Rectal Surgeons, which he has

served as treasurer and president.

In addition, he is a member of the Crohn's and Colitis Foundation of America, the Society of Laparoendoscopic Surgeons, the American Medical Society, the Pennsylvania Medical Society, the Pennsylvania Society of Colon and Rectal Surgeons, and the American Society of Colon and Rectal Surgeons.

Bringing skilled, compassionate care to our community, Dr. Frost evaluates and treats a wide spectrum of colon and rectal problems including hemorrhoids, fissures, colon polyps, diverticulitis, inflammatory bowel disease, and colon cancer. He performs colonoscopies, colon resections, laparoscopic operations, as well as hernia repairs and laparoscopic cholecystectomy procedures.

Frost is accepting new patients and most insurance plans are accepted.
